Contact a sales representative at 1-888-555-5555.

Correct

When an advertisement offers credit and states the interest rate or amount of payment, Cost of Credit Disclosure Regulation rules apply. This means the ad must include:

- APR (interest rate)
- Term
- All-in price (must include all fees and charges except GST and fees associated with financing)
- Total cost of credit

And like all automotive ads, it must include the business name and AMVIC logo or statement indicating the business is licensed by AMVIC.

Cost of Credit Disclosure Regulation, section 6
 Automotive Business Regulation, section 11(1)
