or drop by our store for more information.

Correct

The advertisement shows the total price before any rebates are applied. Then the rebate amounts are shown following the total price. A link is provided for each incentive leading the user to a page with further details on how the incentive is applied and who qualifies.

Like all automotive ads, it must include the business name and AMVIC logo or statement indicating the business is licensed by AMVIC.

Automotive Business Regulation, section 11(1)
